

Oneplan Network

Overview

ONEPLAN represents a group of companies which collectively enable us to produce and sell the inimitable products and services that fall within the Group. ONEPLAN encompasses a dynamic architecture including Financial Services, Lifestyle, Claims Technology and the Onecard™. We represent innovation and financial solutions which are delivered in every sphere.

Each category contains unique features that underpin the success of the multi-faceted and integrated concepts from which ONEPLAN's products and services flow.

Oneplan uses Card Technology to empower you!

- The integration of the unique Onecard system and mobile claiming technology has shortened the claims process.
- Oneplan provides access to funds immediately, eliminating the burden of up front payments.
- Oneplan technology removes the need for tedious paperwork and administration.
- Oneplan helps you get better quickly.

How to use the USSD mobile claim system

- 1 On your mobile phone dial *120*17526# (*120*1plan#). Insert the ID number you are claiming for then insert the policy number
- 2 Verify that the four digits on the front of the card are the same as the digits which are displayed on the screen
- 3 Select 1 to process a claim
Select 2 to check balances
- 4 Don't forget to swipe at your practitioner to avoid unnecessary paperwork.
